So sorry for your loss. Bruce was and still is one of my all time favorite cousins. He loved his family and was a very special person. I remember the family reunions we always hung out together. He is in a better place and the great thing is we will see each other again on the other side. We will miss you but we will meet again on the other side. Thanks for always being a great loving cousin.

“ *Just heard of Bruce's passing. I worked with Bruce at Perrigo year's ago. Bruce was a go worker and a good team-mate. I remember he loved to laugh and he loved to find a deal on a lawn mower. I sold him one that he bought for his mother. I tried to buy it back, but he wouldn't sell it, said he liked it too much. Bruce is missed and will be missed. (Mack Culbertson)*

“ Bruce was a kind and caring man. He had a sarcastic sense of humor, it kind. of reminded me of Dennis Miller. He will missed. Wanda, you have Jill and my deepest sympathies.
