“ One of my favorite memories of Bruce was when he was in the National Guard I as one of his sisters I ironed his uniforms he wore for drill. He would come to inspect his uniform and told me that he wanted the crease in his pants to be sharp enough to cut his finger!! And his boots shined so that he could see himself in them like a mirror. He always kidded me after inspection and give me a quarter!! He was a wonderful man and a special brother!! I will miss him as long as I live and look forward to seeing him in heaven someday . Your sister Ruby❤️🙏
