“ Although there really are no words. We want you to know that we are so, so sorry for your family's loss. It is heartbreaking. Caleb really was a young man with a good caring heart. He was a good friend to our kids growing up. Heck, he at times was a fixture here around the house. We cared about him, and loved him like he was one of our own growing up. We miss him. But we also cherish the time spent with him.
