“ Regina and family, my heart breaks over the loss of Aunt Callie. She was a very special lady who gave me such loving memories. I loved to spend the night with her when I was little and she would sit me down beside her on a piano bench and let me “play” her piano. I could go on and on about my special times with her. Just know I love all of you and share your loss and heartbreak. This is truly a sad time for the entire family. Love, Polly and Dennis
