“ Bonnie and Linda , I just wanted to tell you I am so sorry about your mothers passing, we know now, she will have no more pain and no more suffering, there are no tears past the gate.

Your mother was a precious woman , and one I loved with all my heart, I am so thankful I had the pleasure of being her caregiver, she was a ray of sunshine in my life , she often talked about the Lord , Heaven and her family, those were the most important things in her life, she always made me feel like a part of the family rather than looking at me as a caregiver!! Since she grew up with my daddy which has gone on before her, she would share some stories with me about my daddy and MaMa Batson, they were always heart warming stories! You ALL have been a wonderful family to work with and I have been very blessed to have been a part of Mamas life for the past year, although the Lord has called her home, her memory will FOREVER live in my heart ! She has touched many lives , my mother and Jaila both adored her as well !!

Please know that this family will be in my thoughts and prayers for days to come, you were all special to me in your own way !!

With all my love and respect!

“ Ms. Callie was one of the smiley faces we always looked for, especially at church. We know Bonnie and Linda, but you moved away seems so long ago. We still miss Billy. I (Wayne) worked with him for 26 years. Leann and Jimmy..."You had a wonderful grandmother, sorta like my grandma (Mary). They set an example for us to follow and one day soon we will see them again. All of you are in our thoughts and prayers. May God bless you and strengthen you. We love you.##imported-begin##Wayne & Carole
