“ *Diane and Family*

My heart and prayers go out to you all. I loved your father and considered him a very very special friend. He treated me like a daughter and I had the highest level of respect for him. I'm so grateful I had the chance to visit him a few times while he was at Shepherds house. We even popped over to Goodwill one day! My father told me there is not enough time to spend with the ones we love, cherish every moment. I cherish all the great times and memories I had with your father. Kari Keller
