“ I'm so sorry for your loss. I just today learned of Carl's death. He was always at the visitation for the many of us who worked for and with PYA. I was a coffee supplier for 30 years and worked with Carl most of those. I know he will be so missed. MY prayers are with your family.

“ So sorry for your loss. Growing up as Dink Wyatt's "little" sister, I knew those who meant a lot to my brother, so they meant a lot to me. Carl was one of those larger than life fellas that I just stood in awe of. What a great man and even greater example of love, friendship and compassion. And don't forget...talent! My heart goes out to you and your family. Prayers are whispered for you.##imported-begin##Rita Wyatt Goolsby##imported-end##

“ *Pauline, Jean, Jerry and Carl's children and grandchildren,*

*I am very sorry that I was not able to attend Carl's visitation and funeral today. My health this week has held me back from doing much of anything.*

*I have fond memories of playing football and baseball in the front yard with Carl and Jerry and my brothers Terry and Johnny. I know that you all will miss him. Remember the good times that you spent together with him.*

*I will keep you in my thoughts and prayers.*
