“ Our hearts are aching right now but we know that you are in a much better place and free of pain and suffering. We are at a loss as to how we have come to find this out and am heartbroken. I am thankful that family was by your side. Steve has lost a mother, Troy and Megan have lost their only grandparent and I have lost a friend which is very difficult for us all right now. I want to remember you with that beautiful smile and crackly laugh. We will forever cherish your memory. Love, Melanie Franks
