“ *Bennett and family, I will never forget the love and care that you and Carol have shown my family over the years. She was such a wonderful child care giver and did it with a smile and love for the children. I always felt completely comfortable with Jason under her care. Such a sweet and close friend to me. We shared many long talks together and she was always a comfort to talk to. She will be missed. You are in our prayers and we love your family.*
