“ *Charles, Dennis, Ann:
The service today was a beautiful tribute to your mom's life! She was always one to offer her love and encouragement each time I spoke with her, and I expect she was always that way with everyone she came in contact with. She was truly a gift to this family and we will miss her dearly, but our joy is in knowing she is with her Sweetheart and her Savior and we WILL see her again!
Much love to each of you. You will be in my prayers.

“ Charles, Dennis, & Ann,
I have been keeping up with your mother thru Mom & Dad and Michele. I was saddened by the turn of events over the past couple of weeks. I know Aunt Carolyn led a full life right up to the end. I was happy to hear she maintained her "social" life even while in the nursing home. She was indeed a blessing to many.

I have so many fond & funny memories from the time I first met your mom (before they were married), thru my childhood years and, of course, my adult years. She and I had some very special times together.

I am sorry I cannot be there for the visitation & funeral. I would love to see each of you and give you a hug of love and condolences, as well as for my own need for closure at times like this. It's closure here on earth, but our memories go on & on, with a future in heaven to look forward to because of our relationship with Christ.

Please know I am thinking of each of you with love.

Love,
Donna###imported-begin##Donna Fletcher Avant-Joslin###imported-end##
