“ Carolyn, Christy and family, My heart aches for each of you. Your Mother/Grandmother was such a sweet lady. Ms June always had a smile when I saw her. I know her health has declined over the past few years but I did not realize it was as bad as it must have been. The last time I spoke with June she was by herself and told me she was driving that day. She always asked about Angie and Michael and always told me to let them know she was thinking of them. My thoughts and prayers will be with each of you as I know it is difficult enough to lose your Mom but through the holidays makes it even harder. We love you all.

“ I first met Carolyn while I was a cashier at Walmart in Travelers Rest. She always made me smile and took an interest in me as a person. I later moved positions into the Pharmacy where I always loved when she would come to get her medicine. She often had her granddaughter and I can't believe how she's grown over the last five years! One of the last times I saw her I ran out to give and receive one of her precious hugs...I will always treasure her loving caring spirit and her amazing sense of humor which I often tested by telling her to behave and no wild parties! What a party the heavens must be having now!!! I'm grateful to have her in my life and my heart and I offer only my deepest sympathies and condolences to her family and loved ones. Carolyn will be so missed by many, myself included...rest in peace my sweet friend...xo Jennifer @ Walmart Pharmacy
