“ We, the Staff at Landmark Resort in Myrtle Beach, are saddened to hear about Carrie. I spoke with her a week or so ago, she was in the hospital but said she was getting better. She always brought the Red Hat events to us and she was such a joy and bright light. She was a part of our family and we will miss her so much. Charlotte and Bo, our thoughts and prayers are with you. 🙏❤️

“ *Charlotte, Bo and family,
My thoughts and prayers are with you and all your family.
Carrie was such a kind and loving person and will be missed by so many more than we know. It was both a pleasure and an honor to have had the opportunity to know and to work with Carrie at the Landmark when she was planning the annual January Red Hat Extravaganza.
