“ Cathy will be missed at the Westside Aquatic Center where she was a long time member and friend. One of my favorite memories of her is before her granddaughter’s graduation, she asked me if I would help her walk in the middle of the pool. We practiced for weeks. She wanted to not have to use her wheelchair at the ceremony. Cathy loved you all more than you know. I will miss her beautiful smile. She was one of the strongest people I have ever known. May you find comfort in knowing Cathy was much loved.

“ Cathy was so uplifting, every time I got to see her she always had such a wonderful smile on her face.. I wish I had not let so much time go by in seeing her. The times I would run into her at the store or just out and about she always talked about her family and what they meant to her.. She loved them all.. One lucky family to have had that kind of love.. Many prayers that God will wrap his arms around you all and give you peace.
