“ *Charlie and I have been friends for 70 years. We graduated from Travelers Rest High school in 1955. And kept in touch all these years. Over ten years ago we started having lunch with other classmates at the Williams Hardware Cafe. After they closed we met at Short field's. Covid came along and we had to stop meeting. Never got back to having lunch after Covid  
These makes two wonderful friends that have passed away .
