“ *My first memory of Uncle Charles was at a Penny Reunion. I believe he truly believed that if you haven't grown up by 50, you don't have too. He played with the kids, and they loved him. He was always telling stories, and we were always listening. He will be missed here on earth. Gary Bower*

“ Joan, Kim and Sue-- I know there are no words to say how sorry I am on the passing of my dear cousin Charles.. I have many memories of many good time spent with him both as we were young and as we grew older-- I know our kids and grands always enjoyed the times spent with him and the good times he shared with them-- Know I can't be with you at this time but hope it helps to know others care-- sure him and Vada have already made plans for the next reunion. May God be with your and comfort you..Love to all Bill and Vivian

*My memories go back to rolling a ball across the floor to a sweet little, laughing boy, to walking in the woods later with that same little boy, to splashing in the lake and running down the hill listening to him giggle, to watching him grow into a fine young man, a devoted husband and father and always, always that infectious laugh that lingers still.*

*I cherish all the camping memories. We had such good times with Charles. We always thought his card playing was a little on the cheating side but I think he let us kids win more than not. He was such a good soul. I miss him. All our love to you, Joann, Kim and Sue!*
