“ Uncle Chuck - I will forever treasure all of our emails that we sent back and forth daily for years. I have them all saved so I can read them whenever I am missing you - which is often. You are an amazing angel I'm sure - you and Babci - the dream team - I'm so glad you're watching over us. I love you and will miss you. Until we meet again...

“ *Judy and family, Gail and I were so saddened when I read the e-mail about the death of Chuck. We have known him for many years. I worked for Texize/ DowBrands since 1958 till they moved up north and we took early retirement. Chuck is really going to be missed by more than just the family. In my opinion we have lost a very swell person. Gail and I thought very highly of him and have called him our fiend ever since he came to Texize/DowBrands. He was one of a kind and you couldn't help but like him. May he rest in peace. Chucky, as I always called him, we are gonna miss you.. Doug and Gail Wilson, Mauldin, SC*
