“ *Sylvia, Barbara and I were very much saddened to hear that Charles had lost his hard fought battle. It's always sad to lose a loved one, but you should take comfort in knowing that Charles will no longer be suffering and that he is in a better and happier place. We have lost a true friend.*

You have been and will remain in our prayers and thoughts. At present we are in Arizona and won't be home until next Sunday. We will be in touch with you next week. Keep the faith and know that you did everything possible for Charles.##imported-begin##Benny and Barbara##imported-end##

“ *Sylvia,*

Kelsey and I are so sorry for your loss. We just found out Sunday or we would have come by and seen him. The 2 of you have always been so good to Kelsey. Ever since she was young. She's older now and isn't around as much but she always thought highly of you all. You are in our thoughts and prayers. Please let us know if there is anything we can do. I am sorry that we could not be at the funeral we did not know in time to come but I did want you to know we are sorry. Take care and take solace in the fact that he is in heaven now and God has a new angel. God Bless.

“ Dear Southerlin Family,
I am so sorry to hear of Charles' passing. Please accept my condolences.
Charles was a great friend and always a pleasure to be around. Although I haven't seen Charles in several years, I will always remember the "fun" I had as one of Charlie's boys. All of our group called Charles "Uncle Charlie", even though some of us weren't related.
My prayer for the family is the peace that passes understanding. Charles will be missed.
Sincerely, Buddy DUDley###imported-begin##Buddy Dudley###imported-end##
