“ Don was a great friend from the late 1960's. I met him when he was the top financial man at a company I was assigned to audit. We became great friends and for years were fall deer hunting buddies at the "bomb plant." He spoke of his brother Erwin's passing often. We also had our personal exercise routine clearing fallen trees, splitting the wood to heat both our houses and selling the excess. I moved from SC about the same time as Don fell ill with Parkinson's and rarely got to see him in his declining years. Never a day passes that I don't think of him fondly as I see the deerheads in my office. He earned a better final years! My regards to his family and friends.##imported-begin##Larry W. “ My husband & I attend TR Church of God. Every third Sunday of each month we visit Falls Creek & on many occasions I would check on the lady across the hall, Mrs. Dorothy. Don would be sitting in the hall & I always spoke to him. My two small children would give him hugs. He had a special place in my heart. I am so sorry for your loss. He was a blessing to me & my family.##imported-begin##Saundra & David Andrews##imported-end##
