“ Dear Sweet Annie, Stephanie, Carly and Shirley, I am so sad to read this about Charlie and Mrs Ruth. But how awesome that they went to heaven on the same day!! I sure know how that feels. I think of you all often and miss seeing you. It was always so good to walk thru the doors at River Falls and see your sweet mama and all of you visiting her. I know you will miss her! And Charlie, always smiling and telling me something Mom or Dad had said. Please know that I will be praying for all of you in the days and weeks ahead. Love you all! Jan Collins Holloway

Heaven gained two wonderful people who will be missed so very much. Your Mom always made my service to her so easy. She was a true Lady and I will miss her so much. Charlie was a very special gentleman and always had a story to tell us- mostly about "Finley". He brought such joy to Ruth as you would visit and we all got to share the love you showed for each other and for all of us. ❤️🙏

“ Annie , I am so sorry for your double loss. How hard it must be to lose your husband and mother in the same day. May God comfort and strengthen you as only He can. I enjoyed working with Charlie many years ago in the lab at Slater Plant. He was always so friendly. I also got to know your mother some when my mother was at River Falls for rehab. My prayers are with you and Shirley during this very difficult time.
