“ *Bonnie and Wiley worked with me in textiles. They both expressed love for their boys and enjoyed talking about their family life. It was a pleasure to me when I was told that their family was connected to mine.*

Barbara, you and your family have my deep sympathy in this loss. May the Holy Spirit give you comfort.

“ *Daddy was the best father-in-law anyone could ask for. After my father passed away he pulled me to the side and told me that he knew he couldn't replace my Daddy, but as far as he was concerned, I was his son too and he would be there for me. I sure have missed you over the last few years and knowing I'll never see you again on this earth. But one day we will all be together again. I love you.*
