“ *Peggy and David, you are in my thoughts and prayers. I have so many fond and funny memories of Cherry and myself in early high school at TR. We were inseparable for those few years. The many places Peggy, JD or my mom would take us concerts at Furman, the Memorial Auditorium or the mall. She will be missed even by those of us who had lost touch.*

“ Allen,

I just found out through Brook and mom of Cherry's passing. I am so sorry to hear of your loss. I know that the past 14 years has been extraordinarily challenging not only for Cherry but for the entire family ...and especially you, my friend. Our hope for you is that now that Cherry is now at rest and no longer suffering from this horrific struggle she's been under, that you will find comfort, peace, and rest as well knowing she is now in God's caring hands. You have been a dutiful, loyal, devoted and faithful servant, Allen. Few, if any men I know would have stood this test of character. The measure of a man's character is not in his words, but rather in his deeds and actions! You never gave up... you never walked away. Without a doubt and if nothing else, Cherry knew that she was loved by you. How could she not?

As you know, mom doesn't do computers. So she asked if I would let you know that she also sends her love and deepest sympathy to you and your family.

We love you brother and are always here for you. Our doors are always open to both you and Richard and your families. All you have to do is call and we'll come running!

*You are in our Prayers,
Scott, Brook, and Bobbie*

“ To all if you-I have so many childhood memories of playing with Cherry at Grandma Dawson's in the creek, and I treasure the puzzles and games we played on her screened porch on rainy days! I kept them and they don't get played with anymore. They're too sentimentam! I remember playing with her in her old bedroom with the Elvis Presley portrait on the wall. She was such a good friend and cousin to me! I'll be looking across the road to keep an eye on you and hope you know I mean it when I say if you need me for anything just call me! Me and Doug love you!
