“ Aunt Christine

*We miss you, plus the closeness of the Belt family. You were always one of the first on the phone with information about family members. Plus those days you came over to the house when my grandma had Alzheimer's, you always willing to chip in to help whenever possible. It is those old school traits of our family so dearly missed.*

*My prayers are with you at this most sorrowful time. You have lost 2 of your precious loved ones. Time will ease the sorrow but never diminish the love that was felt for them. Cherish your memories and they will stay with you forever.*
