“ I went to school with Chris. She and I grew up together from first grade until we graduated in 1988 and she moved with her family to South Carolina.

My last memory of her was sitting on her front porch on Cortland Ave. and talking about our future plans. I recently attended our 20 year reunion and received the news that she had died. I had hoped to see her there--she was.

The Calleja family was very good to me. I am so saddened for your loss, but rejoice that Chris is free from the things that bound her here. Peace be with you.##imported-begin##Michael McCoy##imported-end##

“ Bobby and family,  
I always think of Christine when I walk past 4515. She was with us for so long. I took care of Christine many a night in CCU. It was hard to see her suffer for so long. May God grant you peace and give you comfort in knowing you will see her again some day.

“ Bobby,

*I am very sorry to hear of your loss. Chris was a sweet lady and I enjoyed working with her at Dr. Welborn's office. I will always remember the day she came to work and told me she'd had a "change of heart". I knew she meant that she had received Christ as her Savior. I knew it was true because there was a change in her and her face was so joyful! God used you in her life in the most important way.*

*I pray that God will be your help and comfort during this time. I lost my Grandmother this last Spring and He brought a quiet comfort to my heart and soul. My Grandmother was a woman who loved the Lord and we celebrated her life at her funeral. I was even able to sing for her. I pray that God will give your heart a song to sing in praise for Chris'life, knowing that she is now singing praise to her Savior, who we will one day see face to face.*

*Grace and peace to you, Bobby and your whole family.*

*Sincerely,*

*Becky Taylor*
