“ Chris,  
I still can't believe you're gone. I wish you could've known how many people loved you. We are all missing a part of our hearts now. Life is just not the same without you in it. I pray for your family because I cannot even imagine what they're going through right now. I took flowers to your grave yesterday and still all this seems unreal. Until we see each other again know that you are in my heart and my prayers. We love you man.*###imported-begin##Amanda Tuttle##imported-end##*
