“ I have very fond memories of Ms. Moon. I moved to TR in 96 and her and Anne were the first two neighbors I met since I live across the street from them. They have always looked out for me and my place when I have been out of town working. She was the sweetest person I know. Would help anybody with anything. Absolutely the nicest kindest person I know. When my parents come up to visit my mom would go over and have nice visits with her. She will be greatly missed but definitely not forgotten. Sending many thoughts and prayers out to the family.

“ Ms. Clarice was one of the sweetest ladies I have ever met. I didn't know her for very long, but her and her daughter Anne are very special to me and my son. Her beautiful smile will be what I remember most. My prayers go out to Anne and the rest of her family (I really enjoyed meeting all of you last week!) during this difficult time! I hope you find peace in knowing how elated she is in heaven with all of her loved ones that have gone on before her.

Lots of Love, Jodi & Caleb Widener

“ Dear sweet Clarice, I am not sad for you leaving us, I know you were ready, just sad for those of us left with an empty place in our hearts. We have shared a lot together, some sad, some happy, but through it all we never lost faith in our God. We will meet again sweet friend and until then it isn't goodbye, but so long for now. God bless your family as they learn to live without your presence here on earth. Linda and Bob Sims

“ Clarice was a precious caring lady!!! In 1992, my daughter, Sheri, was expecting my first grandchild when Hurricane Andrew hit Homestead, FL. And her home was left unliveable. Clarice and Margie put together a large box of blankets and baby clothes and had me deliver them to Sheri!!! That meant so much to Sheri and I have never forgotten that wonderful kindness!!!! I'm sure that was just one of the many loving things she did for others through out her life!!!! May God Bless Her Family And All Those Who Loved Her!!!!

“ God gave us 92 years of laughter, joy, and love of one of His favorites. He just couldn't wait any longer to have her home! Blessed we are truly to have know her. Even through the tears now as I write this I am compelled to smile and laugh as I remember her. Goodbye, Aunt Clarice. I am looking forward to another hug one day and hearing you laugh and sing. Say hi to Grandmother and all who are probably waiting in line for their hugs. I was honored and blessed to have known you. Love, Troy King
