“ I can say Claude was literally one of the finest men I have ever known. My children loved “ Brownie “ and enjoyed many many years of getting to swim in his and Betty’s pool. He sat in front of me at church for three decades at least. He always ask about our girls even though they have been married and gone from Locust Hill for many years. My husband Pink traveled for his work when I was a young mother and precious Brownie would keep my girls so that I could attend the ladies Circle group with Betty. Prayers and love to Betty, Snooky and Sherry Joye Frady
