As a little girl in church, I remember MANY, many times hearing Mr. Clint singing, praying and giving his testimony. I was probably 3 rd or 4th grade. I am now 59. I have never heard anyone pray like Mr. Clint! I will always strive to be able to talk to God the way he did!! What an impact he had on my life. A true man of God that I will never forget!

Clint was a very special man. He always would tell us stories. I loved their singing. He always told me he loved me and that's all I needed to know. He helped on our home when we built it. He built the stairs and my bay window. I think of him every day when I climb the stairs or look out the window. Love my window. His only payment he ask for was lots of tea. He loved his tea.
