“ I'm deeply sorry for your loss. Donna called yesterday and told me. Its sad that Clyde passed on dad's 92 birthday. We went to visit Clyde over the holidays and saw how much he was suffering. His suffering is over and now he is with most of his family in a much better place. My favorite memory of Clyde was his smile and his little chuckle when he thought something was funny or amusing. I regret I'm out town on business doing a two day training program and will miss the service. It would have been great to see you all. God bless you and keep you in these difficult times.
