“ *Lib and Family,
Curt will forever be in my memories. I do believe he gave Ian his first haircut. My dad (Bob Bracken) would take Ian for a hair cut and Ian always looked forward to seeing Curt. Our families have known one another very many years and I grew up seeing Curt at church or out and about. He was always a good man with a kind smile. It's the memories, sometimes the silly ones, that we remember most. You all will be in my prayers during this difficult time. Curt is now in a place none of us can imagine. I hope that brings you some comfort.*

*May God bless you all,

“ *Curt was a great friend to our family. My Dad thought the world of him. I can remember my dad taking all 5 of us boys there to get a haircut. And Curt would always ask How we would like it cut. We would tell him and he would smile at us. Then buzz it all off laughing the whole .time His comment was Your Dads paying for it and thats what he said do. RIP Curt you and Hosea enjoy cutting hair together again. I am sure my Dad was first in line. ARTHUR LANCE or as Curt would say One of the Lance Boys*

“ Got my hair cut for about 35 years from my friend. I will miss all the stories you would tell about the old baseball leagues you played in and all the old fishing stories. I will miss you my friend. One thing though Curt, We will see each other again one day in Heaven. I can't wait to hear some more stories from you.
