“ *This is Brenda's daughter. I just wanted to thank you all for the kind words. Mom really loved Dale and I know she will miss him dearly. It had been a pretty hard few days seeing him suffer in pain with the collapsed lung. I hate it for my mom but im glad God is a merciful God. I know Dale was tired. He was a very good husband to my mother. He always looked out for her and took care of her. I could not have asked for a better step dad. He loved my children and loved teasing them and they loved him as well. I hate that my grandbaby that is due in December will never get the chance to know him. I just wanted to also thank his family for treating my mother well and accepting her. She thought of you all as her family too.*

“ Dale is my uncle. He and my daddy were not only brothers but best friends. My favorite memories of him we when I was a kid and I knew he HATED frogs, so every time I would see him I would give him a frog. Sometimes I would give him a brown paper lunch sized bag and it would either contain a ceramic frog off my moms shelf or a special frog I caught just for him. He knew I was up to no good(I am a young after all) but he would take the bag and open it every time. He would always scream and throw the bag and I would laugh so hard. That's the uncle Dale I will forever remember.

“ Sorry for your loss I will be praying for you and your family.. Dale and I used to hang out as teenagers and we shared a lot of good times together. In the last few years we had reconnected and talked a lot on the phone We talked about the good times and memories we had from our youth and about both our health problems. I got to visit with him some and was hoping to do so again soon. He was a good friend and will be missed. Tommy Massey
