“ *We met Dan several years ago playing pickleball at Northside Park and other indoor gyms. He was such a nice sweet guy on and off the court and had a wonderful warm smile. We recently were introduced to his wife, Gene, at the TR Farmers Market. He will be dearly missed by the pickleball community. 💔*

“ *We just moved to the area in November of last year and Dan was the first person we met through pickleball. Dan and I played in a tournament as a team and my wife and I got the chance to meet his wife. We all hit it off and would get together for social events. He was our first real friend here and will be greatly missed. God speed Dan*
