I haven't known Slim for a long period of time, but from the time I met him, he was almost always cutting up and making sure we had a smile on our face. You meant a lot to us Slim, and we will miss you. Fly high, buddy, until we see you again!

“ *Being first cousins and close to the same age, Dana and I were inseparable as kids. He was so much fun to be with, and I will miss him terribly. Just recently, I was able to reunite with Dana after being apart for many years, and he was so proud of his son, DJ. Dana was a great man who's time in this world was cut too short. I will always remember him for his kindness, his roaring laughter, and his love of family.*
