“ Dear Radford family,  
I am so sorry to hear about your recent loss. My heartfelt condolences to the family at this difficult time.  
Death brings about much grief and sorrow when it strikes a beloved family member. We feel helpless because we are unable to alter the situation. But there is someone who can reverse the effects of death. That someone is Almighty God. In his word the Bible at John 5:28-29, he promises us that those who are in his memory will be resurrected. Isn't it comforting to know that we have the prospect of being reunited with our dear loved ones again?  
Please be assured that God knows what you are going through because he had to lose someone near and dear to him, his only son, Jesus Christ. So go to him in prayer and voice your concerns and he will sustain you during this very difficult time. (Psalms 55:22).  
When Jesus was here on the earth, he showed that he has the power to bring the dead back to life. On one occasion, he resurrected his friend Lazarus. (John 11:11-44). On another occasion, he resurrected a 12 year old girl. (Luke 8:49-56). We can only imagine the great joy that these ones experienced when their family members and close friends were brought back to life.  
We can be sure that God will do the same for our loved ones who have died. Then we will be able to experience that same joy and happiness as others back in ancient times.  
I certainly hope these few words of encouragement will prove to be a source of comfort and hope to the family at this time.  
In your spare time also read: Revelation 21:3-4, Acts 24:15, Isaiah 25:8, Isaiah 26:19.

Sincerely,

Sandra##imported-begin##Sandra##imported-end##

“ James and John, I was so sorry to know about the loss of your mother. I did not know her, but I know she was a caring person because her two sons are the same way.

You helped my grandmother Vera at Falls Creek Living Center, and gave her joy.

Your mother will live on in you.##imported-begin##Jan Sitterson Looper##imported-end##

“ My prayers are with each of you at this difficult time. Dana Jo was very special to me. I loved her like a sister.

Her visits and calls to her Aunt Frances and Uncle Sonny meant so much to them and me. Especially, when Daddy was in the hospital last year and she called me to check on him. They will miss her very much.##imported-begin##Rebecca Baker##imported-end##
