Our prayers are with you during this time. We remember how much Dan enjoyed the music and preaching at church, and he was always there as long as he was able to attend. May God bless all of you,

“ In 2001 a 55' semi truck w a very very young driver got his rig jacked up with tractor in ditch and trailer wheels lifting up. Pullong out of our farm.

Dan was headed to check on Louie, across the street from us. Dan didn't fuss about being blocked. He turned around, came back with his tractor pulled the truck up got it right for the kid driving. Smiled at him came on down to check on Louie. That the kind of neighbor he always been. Good man. He instilled similar values in his Grandson Danny. Heaven's got a good one. Dan is smiling down on his family. Love Carol and Cliff
