“ *Well, Baby Brother, you made it before I did, but I'll be there soon. I remember when you were little you would always "run" to me when the others got after you. We played together and I love you so much. I'm glad I got to spend a few days with you before you passed, but it will never be enough. You promised that we would be together again some day, and I long for the day when our family is reunited again. I pray the circle will be unbroken! I miss you so much but I know you are not suffering and are in the arms of Mama and more important in the arms of Jesus...rest in peace little brother.*
