“ I am so sorry for the loss to the family and friends of Darlene. I have worked with her for a few years and although I have only known her for a short time, Darlene has placed an ever lasting impression on me. Darlene was such a kind and helpful soul and will be missed very much.

Respectfully,

“ Every morning the same smile..... But Wednesday was my day with Darlene every hump day.... She filled a role of a mother figure for me at times.. A boss like no other. She was more of a friend.. Thank you Darlene for showing me the way many times and believing in me.... And me and you complaining about our knees hurting us.. PS I'm still gonna get me a Tommie copper for my knee....
