“ To all of you cousins and other family members and friends, I share in your heartfelt sadness over the loss of David Allen. Every time I saw him, he was always very nice to me and shared some kind words, asking about mother and Billy (Rock). I know you will miss him dearly, but know he is in a better place than we are, and always remember the good times you shared. Trust me, I know from experience that those memories will get you through some of the toughest times you will experience. Love you all very much, Tina (Herd) Bigham
