“ So easy to let time pass and assume a friend is doing well, then to find he has been gone over a decade. Hard to make the claim to be among his close friends that way; but I counted him as one of my best friends from First Baptist Church of Bellefonte and Centre County Christian Academy. So pleased with the reports I have read here. May God bless you all through the loss and healing. Looking forward to seeing him again when death will be conquered.

“ *It has been years, but I still remember the days at Centre County Christian Academy and the fun we all had. He had big dreams and can see he accomplished things he set out to do. My condolences to his family. He will be missed. We will again see him and share in God's faithfulness. My prayers are with the family.*

“ David was like my kid brother and I'm sorry we've drifted apart over the miles these last few years. Just as an encouragement - a pastor 2 weeks ago at a memorial service I attended advised: Instead of thinking about our LOSS, try to concentrate and be thankful for his GAIN. God is rewarding his faithful servant!
