“ *Mr. Gibble was the first person I remember talking with when we joined Cornerstone. He made us feel so welcome. He was using a wooden cane then that he showed to my son. For years after that he would find my husband before the church service started and spend time talking with him. I appreciated his genuineness and his honesty. He will be missed.*

“ *My family merry David in 2008 at Cornerstone Baptist church. We were new members and David made it a point to come and speak to me every Sunday. Not long after we first met, David had a debilitating stroke. But as soon as he was able to recover to the best of his ability, he continued to make his rounds at church and would always make it a point to visit us. I'll miss David. He was a good man!*
