“ *Kathy, I am so sorry to hear about David's passing. I loved working with him at Lowe's. He was always helpful to me when I needed him. May God Bless you now and in the future. I think of him so often and remember him talking about retiring. I know that he was looking forward to spending time with you. He was so proud of your quilting skills. He talked a lot about you a lot and it was always with love and respect. Much prayers and love to you.*

I'm so sorry for your loss. David was my go-to person if I needed anything from Lowes. As my son said, he was the most knowledgeable person there. Because of my friendship with David, I met Kathy. My heart and prayers are with Kathy and the family during this difficult time.
