“ *As a coworker of Debi's at Ogletree Deakins for many years, I have always in been in awe of Debi's positive attitude and warrior spirit. She could find humor in everything; no matter how bad things seemed. And, she brought out the best in all of us and kept us all in line. I will miss the bright light she shone on our little group.*

*I loved your sister for her spirit and ability to always be herself. There was never a dull time when Debi was around. I've been smiling this morning thinking of some of the mischief we got into. Are your parents still in the home near mine (Earle St.)? I'd like to stop by to see them. Love to you all and my deepest sympathy in the loss of the "wild child".*
