“ Arlene,
We were schoolmate friends at Irmo for a long while, starting in 7th grade, and continued after high school. Then we went our separate ways to raise our own families. I thought of you often. I called you a couple of times over the phone, but never saw you again, but I thought of you often. We had great times together, that are great memories. I just now learned of your passing by another friend you were pals with Sylvia raunch. Rest in Peace Arlene. Love ya
