

Debra Jean Craine

October 29, 1959 - June 11, 2021

Debra Jean Craine, 61, of Travelers Rest, passed away Friday, June 11, 2021 at St. Francis Hospital.

Born in Greenville County on October 29, 1959, she was a daughter of the late Lewis Styles Craine and Betty Jean Dorsey. She is survived by her son: Michael Turner(Allison); granddaughter: Ashley Turner; sister: Sandra Chapman; and brother: Larry Craine.

Along with her parents she was predeceased by two brothers: Kevin Craine and Robert "Bobby" Craine.

Affectionately known as "Nannybug", she loved all of her family and friends, but most of all her son was her pride and joy and her granddaughter was her sunshine. She loved drinking coffee with her neighbors, shopping, as well as sock monkeys and everything teal.

Having beat cancer twice along with many other medical concerns, she faced every challenge with grace and patience. On Friday, she was completely healed of all pain and sickness and made new. We will miss her every day.

Memorial services will be held at 2:00pm on Sunday, June 27, 2021 at Solid Rock Baptist Church on Blackberry Valley Rd. in Greenville, SC.

The family will be at their respective homes.

Online condolences may be expressed to the family at www.thehowzemortuary.com

“ *Debra was a kind and considerate co worker loved by all and she will be greatly missed. When we had celebrations at work, Debra would bring her specialty, deviled egg sandwiches and if you weren't first in line they got gone fast. She was always so thoughtful and and kind to everyone. I will always remember that about Debra.*

“ Debra was my neighbor. We enjoyed conversations while sitting on the porch. I am going to miss her terribly.

Debra and I had a connection from the moment we met in church. I've known her for 16 years, before she got sick, we went to signings and out to eat, but she got too sick to do those things anymore, but we still communicated. I will miss my friend, we understood each other. So much to love about her, she was so strong, and I looked up to her. I know she is in no pain now, and I'm happy for her. I am praying for all the family.
