“ *It was always a wonderful occasion whenever Deb would come out to a local music show. She sang along (unless she stole the show by singing karaoke), danced, and always made us musicians feel loved. She was a tremendous supporter of the music scene in and around Greenville, and everyone knew, loved, and appreciated her - along with sister Elaine, Jane, and niece Sharon. Deb will be greatly missed, but always remembered fondly and with gratitude. She blessed us more than she realized, I'm sure.*

*We love you, Deb ~

“ I can remember in the late 60's and early 70's when on some weekend nights our two families would go to the skyland drive in two watch movies outside and sometimes us kids would go and play on the playground until the movie would start man what fun memories we made in those summer nights me and Deb make sure that we had swings side by side and swing and swing. I really enjoy looking back on those days I loved my sister Deb and she will be missed.
