Tribute Wall

“ To Susan and Wayne and kids: I wish I could be there to attend Decie's service. What wonderful friends and neighbors you and they were to my family. I have so many memories of McElhaney Road: playing in their yard and riding my bike on their dirt road in the summer and stopping to pick muskadines. I can picture their white classic car and tree chickens and the barber shop with the old fashioned Coke machine and sitting in the kitchen having a slice of her pound cake while my Dad and Early Bird talked. They were such an important part of my childhood. Love to you all...##imported-begin##Diana Czerkies##imported-end##

“ Dearest Wayne, Susan and Family: I just heard about Aunt Decie's passing and I'm so sorry. We know she is in a better place and now free of pain. She was a wonderful person and Ray and I have had fantastic and fun-filled visits with her and Uncle Earl. We both loved them so much. I know you are suffering a big loss. God bless you for taking such good care of them over the years. They loved you more than you will ever know. Love and Prayers, Vi##imported-begin##Violet Henderson##imported-end##

“ Wayne and Susan, Amanda and Matthew...to all of you and your families,
I am thinking about you during this time. I will never forget Amanda and I climbing up to play barber in her big chair, playing with the chickens...gosh, I can still hear her calling, "Amandaaaa". ESo many memories...even though time and miles have separated us, I love you all!!!
