“Dee had an immeasurable influence on my Dad in the Navy on the USS Wisconsin. Dad grew in his Christian life with Dee as a friend. Dad went on after the Navy to be a preacher, and Dee went to work at the Post Office. Dad was an only child, and Dee was the closest thing to a brother Dad ever had--and better than many brothers. Dee and Carol, kids in tow, visited us everywhere we ever lived--which is saying a lot! Dee was even there in Texas to see my Grandfather before he died. Dad went to Heaven 2 1/2 years ago, and he and Charlie Blake and Dee will probably be telling Navy stories up there soon! Our lives were so enriched by Dee and Carol's example and advice. William, Barry, and Melody you had a wonderful Dad.

Thank you Susan, you family means the world to us. I was so happy to see Priscilla tonight at the funeral home, she represented your family so well. Yes, I have thought many times since daddy's passing about the 3 Navy buddies back together. Our families will forever be bonded.

“ So sorry to hear of Dee's passing. I worked with him for many years at the Post Office. He helped me a lot when I was building my home. I knew him to be a good man who followed Jesus. I wish I had seen him more over the years, I thought of him often. May God Bless and comfort all of you during this difficult time.
