“ To April and Autumn and all of the family you are in my prayers, Dee was an awesome person and a good friend. I thank God for sharing her with me, we worked together for many years at Mettler and our friendship didn't end when we all had to leave. Because she would still call me from time to time just to see how things were going and to catch up. I will miss you my friend!!!! R.I.H.P.

“ I loved my first cousin, Dee very much. We played all of our childhood days. She and I never had a problem because she was simply easy-going and kind. We loved talking about our days gone by. We loved all our cousins, aunts and uncles! She was very special and I will always remember her with great fondness. God Bless her Family!
