*Sad to hear about Delores how the years roll on .I like to hear her play the piano .we went about 10 years to slater CoG.
I'm 71 now I know my days are numbered but ready Dolores had spent may year playing and singing. I can't imaging she not thier playing the piano love and prayers to the family know its been a while since her new Journey. We just here for a while some are used by God .and Delores God used a long time on earth.
The whole family was musically inclined.
To Delores in the sweet by and by. No more problems you know everyone want to go to heaven no one want to die. But she on her eternal journey no looking back no pain and sorrow's. Just remember we got to love then on earth. Because this is the last stage of life .and when it all ended on this earth. Thiers no saying I wish this or that .because when you take that final breath on earth that the end of the beginning.life has just started for Delores with no ending this is eteraly but its not good bye its just I'll see you later .love and Prayers Terry Dowers Betty & Shawn .

“ *I remembered when my dad pastored Slater Church of God , what a great piano player she was . Sometimes when she played with extra runs or notes, she would look at me and smile, and I would smile back. She knew I so appreciated her wonderful music! 🎵*

“ I will truly going to miss her. She always has a beautiful smile on her face when in our office. She was always cutting up with us all and never slowed down. I can hear her laugh as I asked if she could stand on the scale for me. Love ya sweet friend.

“ As a teenager I worked with Ms Delores at Kmart. She was the best part of the job. We had many conversations and I'm sure each one of them included laughter and ended with a hug. She was something special and I will always think of her with fond memories.
