“ For the first, 18 years of my life Dennis lived up the hill from me. Lesley and Cindy might as well have been my sisters with how many memories I have with them and their family. My favorite story about Mr. Hart though is the time I came back from Camp Greenville and there was a ostrich loose on the street would was in attack mode. I don't think I've ever laughed as hard as I did at him trying to wrangle it and chase it down the road. I was saddened to hear of his passing but I rejoice in knowing he's reunited with Linda. I have no doubt that between her, his loved ones and my grandmother, he's had quite a welcoming party. My love and prayers go to Cindy and Lesley, their significant others and the grandkids. The Womicks might be in Georgia but we still love you all very much .

“ *Lesley & family...I don't remember ever meeting your dad but I felt like I knew him because of you. You were always taking such good care of him and telling me about his cats etc. You and Jennifer and all the other family members were great care givers. Just know my prayers are with you at this time of loss. Sandra*

“ *I'm so thankful for this man in my life at a young age. I was a single mom and he was so instrumental in my career in banking. He pushed me to be the best I could be. He believed in me when I didn't.*
Cindy and Leslie, you were so blessed to have this man as a dad. Please know you're in my prayers for the days ahead. I love you girls.
