“ I met Dennis while working at the Echo Valley Convenience Center (Trash Dump). He was a good guy. Always bringing us something to eat. I can't believe he's gone. He will be missed. He loved his granddaughter Hannah. She was his world. I'll never forget him. Rest in Peace brother. Glad I got to say hey a few weeks ago at Walmart.

“ Dennis was one of my original drivers at Benore. He was kind to me from day one. He would come in early every day and make coffee for everyone. He'd bring me breakfast on occasion as a thank you for saving him a truck. We'd always vent to each other about how crazy work was. He was a great guy and a great friend. He will truly be missed.
